

Wedding Photography Packages 2017-18

Photographs are taken by Thomas in an unobtrusive, tasteful and natural fashion – mostly in a “reportage” or “Wedding photojournalism” style, telling the story of the day. Portrait and group photographs are also included as required.

Prices valid for 30 days from date of sending to client. The deposit is 25% which secures your booking, and balance payable 2 weeks before wedding date.

2.1. Queensberry Coffee Table “Books” & Images Packages:

This is a tasteful, refined “coffee table book” for those who prefer an understated presentation of their wedding images or who would like a larger number of images. Layouts are designed for larger images, and average 2 images per page.

Queensberry’s Books are the best available and use professional Kodak Endura photographic paper - a different class to the cheaper “DIY” versions available online.
